

BODY BUILDER'S BOOK BULLETIN 11

DATE: AUGUST 1, 2005
MODEL YEAR: 2006 & AFTER
TRANSMISSION MODEL: ALLISON TRANSMISSION
CHASSIS MODEL: UD1800HD ~ UD3300
BULLETIN NUMBER: BBB Bulletin-11
FILE IN THE ENGINE SECTION OF THE TECHNICAL BULLETIN BINDER

2006 & AFTER ALLISON TRANSMISSION *TranSynd*™ FLUID

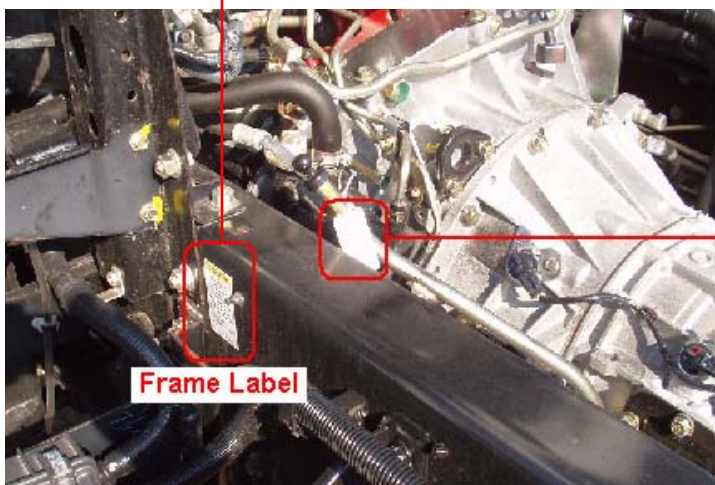

PURPOSE

To advise that all 2006 MY and after UD Trucks equipped with Allison Transmissions will have *TranSynd*™ synthetic transmission fluid as the factory fill fluid.

CHANGE NOTICE

All 2006 MY and after will have a tag on the dipstick tube and decals on the sun visor and frame.

TranSynd™ cannot be mixed with any Dexron® III fluid or damage to the transmission will result.
